Dear Mr.Jayaram Iyer,

Referring to my un-official reply No.P.W. 451/B dated 10th November 1922 re funds for the Jumma Masjid at Mysore, I write to inform you that the information given therein stating Rs 10,000 has been applied for is not correct. Funds for the Jumma Masjid at Mysore.

Through the Revenue Secretary to Govt.

23 NOV 1922

Submitted to the First Member of Council, with reference to para 9 of the notes and my further D.O. to the Revenue Secretary-

2. At the time the consolidated statement of additional grants required for the P.W.D., was prepared the present reference from the Revenue Secretary had not been received. So no allotment could be made in that statement for this work. However, a sum of Rs 10,000 was provided in that statement for Muzrai Institutions, viz., repairing Nanjangud cars,- and when the file was received here, it was by over-sight stated that Rs 10,000 had been provided for Jumma Masjid work-

3. The Muzrai Commissioner now recommends that the balance amount, Rs 8,025, may be treated as advance now to be adjusted from lapses under other heads at the end of the current official year. As the amount is not very large, it may be possible to do so, in which case the Financial Secretary may be consulted and orders passed accordingly.

This case is typical of difficulties created by disregarding financial rules. The real instructions issued in D.O. 83 were extra-ordinary. This order D.O. an additional expenditure of Rs 8025 but evaded the question of finding the money and the deferred question is demanding solution and all sorts of devices are suggested for making the money available. The C.E. (P and D) proposes a transfer ... debit to State funds for ultimate transfer to the head 'Mazrai' and the Mazrai Comm. wants the charge to be treated as an advance for adjustment out of a corresponding increased State grant for next year.

The expenditure has been D.O. and the work is reported to have been carried out

To

The Secretary to Government

Revenue Department.

Sir,

With reference to your letter No.1605/M.F.126-20-6 dated 2nd November 1922, regarding the additional funds required for completing the repairs of the Jumma Masjid at Mysore, I have the honor to invite reference to this office letter No.C.324 of 22-23 dated 30th October 1922 submitting for early orders of Government copies of letters received from the Executive Engineer, Special Division, Mysore, on the same subject and to state that the sum of Rs.5,000/- provided for in the current year's budget for repairs of Muzrai Institutions having been almost exhausted, I am not in a position to point out any other source from which the balance of the sanctioned estimate, viz., Rs.8,025/- may be met.

2. In the circumstances explained in the Chief Engineer's letter of the 23rd October 1922, it seems highly desirable that the work should be carried to completion at an early date. I would therefore suggest that the amount now required may be made available out of State Funds as an advance, subject to adjustment out of other departmental grants which may lapse to Government or be surrendered by the concerned heads of offices at the close of the current official year. If this is not found feasible, the next year's State Grant allotment for the next official year has to be correspondingly increased by Rs.8025/ and the advance adjusted.
